Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Discovery Charter Preparatory School (the School), a California nonprofit public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2018, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Opinion

In our opinion, the consolidated financial statements referred to on page one present fairly, in all material respects, the consolidated financial position of the School as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

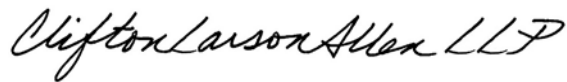

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the School's consolidated financial statements as a whole. The accompanying supplementary schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated September 29, 2018 on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The mission of Discovery Charter Preparatory School (the School) is to provide students with the necessary skills and support so that every student is prepared to attend college upon graduation from high school. The faculty, staff, and other stakeholders envision a safe and nurturing learning environment where instruction is rigorous and meaningful. Also, they are dedicated to closing the achievement gap for students by providing supportive, individualized attention and high expectations for academic success. The School is a California nonprofit public benefit corporation funded principally through state of California public education monies received through the California Department of Education.

The Los Angeles Unified School District (the District) has granted the charter through 2022. The charter may be revoked by the District for material violations of the charter, failure to meet student outcomes identified in the charter, failure to meet generally accepted standards of fiscal management, or violation of any provision of the law.

Principles of Consolidation

The accompanying financial statements include the accounts of Discovery Charter Preparatory School and DCPS Properties. The DCPS Properties is the single member of DCPS Eldridge Avenue LLC (the LLC), and the activity of the LLC is included with the DCPS Properties in the financial statements. The LLC leases facilities to the School exclusively and are financially interrelated. All significant intercompany accounts and transactions between these entities have been eliminated in the consolidated financial statements.

Basis of Accounting

The financial statements have been prepared on the accrual method of accounting and accordingly reflect all significant receivables and liabilities.

Basis of Presentation

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as prescribed by the Financial Accounting Standards Board.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Asset Classes

The School is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Net assets of the School consist of the following:

Unrestricted

All resources over which the governing board has discretionary control to use in carrying on the general operations of the School.

Temporarily Restricted

These net assets are restricted by donors to be used for specific purposes. The School does not currently have any temporarily restricted net assets.

Permanently Restricted

These net assets are permanently restricted by donors and cannot be used by the School. The School does not currently have any permanently restricted net assets.

Cash and Cash Equivalents

The School defines its cash and cash equivalents to include only cash on hand, demand deposits, and liquid investments with original maturities of three months or less. Restricted cash related to bond reserve requirement is not included in cash and cash equivalents.

Accounts Receivables

Accounts receivable primarily consist of funds due from federal and state governments as of June 30, 2018. Management believes that all receivables are fully collectible, therefore no provisions for uncollectible accounts were recorded.

Property, Plant, and Equipment

Property, plant, and equipment are stated at cost if purchased or at estimated fair market value if donated. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets, ranging from 4 years to 40 years. The School capitalizes all expenditures for land, buildings, and equipment in excess of \$5,000. Depreciation expense was \$187,315 for the year ended June 30, 2018.

Compensated Absences

The School does not allow employees to carryover paid time off. Accordingly, there were no accumulated compensated absence benefits at June 30, 2018.

**DISCOVERY CHARTER PREPARATORY SCHOOL
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2018**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Amounts received from the California Department of Education are recognized as revenue by the School based on the average daily attendance (ADA) of students. Revenue that is restricted is recorded as an increase in unrestricted net assets if the restriction expires in the reporting period in which the revenue is recognized. All other restricted revenues are reported as increases in temporarily restricted net assets.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted to specific use or future periods are reported as temporarily restricted. Restricted contributions that are received and released in the same period are reported as unconditional promises to give. Unconditional promises to give expected to be received in one year or less are recorded at net realizable value. Unconditional promises to give expected to be received in more than one year are recorded at fair value at the date of the promise. Conditional promises to give are not recognized until they become unconditional, that is, when the conditions on which they depend are substantially met.

In-Lieu Property Taxes Revenue

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on September 1 and are payable in two installments on or before November 1 and February 1. Unsecured property taxes are not a lien against real property and are payable in one installment on or before August 31. The County bills and collects property taxes for all taxing agencies within the County and distributes these collections to the various agencies. The sponsor agency of the School is required by law to provide in-lieu property tax payments on a monthly basis, from August through July. The amount paid per month is based upon an allocation per student, with a specific percentage to be paid each month.

Functional Allocation of Expenses

Costs of providing the School's programs and other activities have been presented in the statement of functional expenses. During the year, such costs are accumulated into separate groupings as either direct or indirect. Indirect or shared costs are allocated among program and support services by a method that best measures the relative degree of benefit.

Income Taxes

The School is a nonprofit entity exempt from the payment of income taxes under Internal Revenue Code Section 501(c)(3) and California Revenue and Taxation Code Section 23701d. Accordingly, no provision has been made for income taxes. Management has determined that all income tax positions are more likely than not of being sustained upon potential audit or examination; therefore, no disclosures of uncertain income tax positions are required. The School files informational returns in the U.S. federal jurisdiction, and the state of California.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

The School has evaluated subsequent events through September 29, 2018, the date these financial statements were available to be issued.

NOTE 2 CONCENTRATION OF CREDIT RISK

The School maintains cash balances held in banks and revolving funds which are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). At times, cash in these accounts exceeds the insured amounts. The School has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

NOTE 3 PROPERTY, PLANT, AND EQUIPMENT

Property, plant, and equipment in the accompanying financial statements is presented net of accumulated depreciation. The components of property, plant, and equipment as of June 30, 2018 are as follows:

	Discovery Prep	DCPS Properties	Total
Land	\$ -	\$ 1,201,000	\$ 1,201,000
Building and improvements	329,999	5,896,934	6,226,933

Total Property, Plant, and Equipment	<u>\$ 419,958</u>	<u>\$ 6,875,017</u>	<u>\$ 7,294,975</u>

NOTE 4 EMPLOYEE RETIREMENT

The School offers an Internal Revenue Code Section 403(b) Thrift Plan to each of its qualifying employees. Employer and employee contributions are used to purchase annuity contracts for each participant. Employer contributions match the 2% deducted from employee gross payroll. The amount of employer contributions used to purchase annuity contracts for the year ended June 30, 2018 was \$99,110.

NOTE 5 FEES

The District receives 1% of the School's annual ADA-related revenues for supervisory oversight and administrative services.

**DISCOVERY CHARTER PREPARATORY SCHOOL
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2018**

NOTE 6 LINE OF CREDIT

The School has an unsecured revolving line of credit with CitiBank for \$500,000 with an annual interest rate of 5.75%. There was no balance as of June 30, 2018.

NOTE 7 BONDS PAYABLE

In December 2016, DCPS Properties completed California Statewide Communities Development Authority School Facilities Revenue Bonds financing in the amount of \$6.85 million (the Series 2016 Bonds), proceeds from which were used to fund project expenses for DCPS Eldridge Avenue LLC property acquisition. Interest is paid semi-annually at coupon rates between 6.25% and 7.00%.

The Series 2016 Bonds are divided into \$6.1 million Series 2016A Bonds and \$750,000 Series 2016B Bonds (taxable), maturing between July 2028 and 2047 (Series 2016A) and July 2019 and 2027 (Series 2016B). Both Series 2016A and Series 2016B are subject to mandatory redemptions prior to their stated maturity by a Sinking Accounts Payment Fund.

The bonds were issued with a bond discount of \$165,639 and bond issuance costs of \$717,435. The bond discount and bond issuance cost will be amortized as interest expense over the life of the bonds.

Future maturities for the bonds are as follows:

<u>Year Ending June 30.</u>	<u>Amount</u>
2019	\$ 50,000
2020	55,000

This schedule provides the information necessary to reconcile the net assets of the charter schools as reported on the Annual Financial Report form to the audited consolidated financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors
Discovery Charter Preparatory School
Sylmar, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Discovery Charter Preparatory School (the School), a nonprofit California public benefit corporation, which comprise the consolidated statement of financial position as of June 30, 2018, and the related consolidated statements of activities, cash flows, and functional expenses for the year then ended, the related notes to the financial statements, and have issued our report thereon dated September 29, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
