Discovery Charter Preparatory's Letter to Parents

"Keeping Parents Informed: Charter Transparency 2017-2018"

Discovery Charter Prep is a charter public school governed by a nonprofit board of directors and overseen by the Los Angeles Unified School District. On January 12, 2016, the LAUSD board voted to approve a Board Resolution, "Keeping Parents Information: Charter Transparency" which was passed with the support of the Los Angeles Charter Community. The resolution highlighted commonly requested information and data that charter public schools share with parents through their charter petitions, School Accountability Report Cards (SARC), Local Education Agency Plans (LEA), Local Control Accountability Plans (LCAP), Annual Audits, and other publicly available documents.

This documents are available from Discovery Charter Prep electronically, hard copy upon request or on website www.discoveryprep.org. Per board resolution, parents may request this information in English and any single primary language meeting the requirements of Sections 45400 through 45403 of the California Education Code. Please submit parent requests for translated information to the Principal.
