Hello Parents,

Parents, we are asking for your help.

- Two fake Instagram accounts using our school logo, have been created:
- Discovery Prep Confessions and Discovery\_Prep\_Hater.

The content of this misinformation is extremely hurtful and inappropriate.

We are taking every measure to eliminate this.

Please discuss with your child the consequences of cyberbullying. Often students send inappropriate messages (usually things they would never say to someone's face) because they are experiencing hurt feelings, anger, frustration and feeling threatened.

The Discovery Charter Preparatory # 2's Board of Directors recognizes the harmful effects of bullying on student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. DP values student safety as a high priority and shall not tolerate bullying of any student.

If you know anything, or if your child is being bullied, please contact us at our confidential email: [info@discoveryprep.org](mailto:info@discoveryprep.org)
